

## The Senses (Collins Big Cat)

Each day we use all of our five senses. We see people, hear sounds, touch objects, smell odours and taste food. Filled with diagrams and photos, this information book by award-winning author Sally Morgan looks at each of our senses in turn and explains how they work and why they are so important. White/Band 10 books have more complex sentences and figurative language. Text type: An information book  
Curriculum links: Science: Ourselves; Sound and hearing
