

FULL COMPUTING

... Andres Agostini has proven to be a high professional in his field of work. He is direct, has strong analytic skills and comes with fit solution to the issues he comes across. He has a sharp eye for details, while at the same time maintains a helicopter view and is an out-of-the-box thinker. All in a balanced way. These qualities are very essential for project management. I strongly recommend Andres to all my friends, peers and colleagues! ...
