

1: Birthday Surprise (Alfie the Werewolf)

Alfie cant wait to turn seven like his friend Tim, but something strange is happening. When on his birthday, under the light of the full moon, he sprouts fur, grows fangs and develops a wolfish appetite, its clear hes doing more than turning seven - hes turning into a WEREWOLF! But its not all bad - now Alfies great at gym, has the guts to stand up to the school bully and is invited to parties. Maybe being a werewolf isnt so bad after all?
