

Barn Cats - 7 - Siamese Flo

The seventh story in the series of books telling the adventures of the Barn Cats from the pen of Amanda Thomas. This set of stories centres on the Cats living on the farm with Farmer Todd, his wife, the Chickens and Bess the Sheepdog and her pups. The cats face all sorts of adventures in and around the farmyard, but also further afield. Each cat has their own story to tell. As always a fantastic set of characters from Amanda proving yet again what a glorious story teller she is. Siamese Flo, one of the pampered farmhouse Siamese cats hankers to go on her own adventures having seen the Barn Cats getting into all sorts of scrapes. She has itchy paws and plans to have the best adventure of all time. She travels further from the farm and ends up miles away and completely lost. How does she fare and will she find her way back home? Enjoy.
