

With contributions from leaders in their fields from across the world, this book focuses on current AAC research and examines ways in which it contributes to a better general understanding of processes related to its use and implementation. The book is divided into six sections with many topics, including gestural and manual communication, being discussed in more than one section.

Everyday English, Vol. 2 (Classic Reprint), Farm and Home Mechanics Guide - Information on Internal Combustion Engines, Mechanical and Civil Engineering Problems, Repairing and Maintaining Farm Machinery, Behind These Mountains, Vol. I: People of the Shining Mountains Where The Clarks Fork River Churns, 1996 Harris Illinois Industrial Directory, Bugs in Space, Just Good Friends Level 3 (Cambridge English Readers), Geirfa Iddeweg (Welsh Edition),
