

Secrets, Lies and Locker 62

Secrets have a special home at Mount Selwyn High. For years, students have posted their deepest desires and fears in Locker 62. And then this locker is assigned to new girl Maya. She could use the knowledge to help people. Or she could use it to become popular. Maya, who was bullied, who has never been cool, who will do anything to be popular, is now the most powerful girl at school. What will she choose to do next?
