

Frankenfluffy is Matilda's naughty witch's cat. He helps Matilda paint all the new flying broom orders. He is visited by animals in the forest who want the flying brooms for themselves to escape Wild Animal Control and Frankenfluffy gives into peer group pressure and gives all the animals the brooms. Matilda gets angry when witches come to a party to buy the brooms and finds that there is only three left. The animals have to help Frankenfluffy paint more in beautiful colours. A very funny story for 6-8 years.
