

Adventure with Fluitepetuitje

During a search, Luke and Tim found a small red whistle on a boat. Tim blows the whistle and Fluitepetuitje appears. They went on an adventure with Fluitepetuitje. They went to the rainforest and came back through a cave. But what is going on with Sam the monkey? And will Luke and Tim win the scavenger hunt? This is the story about the adventure of children over 6 years of age. Barbara Hakkert (1974) grew up in the eastern Netherlands. Together with her husband and two children, she now lives in Curacao. She loves to read and she loves to read to her children as well. Inspired by the fantasy of her son Mitchel, she has written this story.
