

Julie and the Unicorn 2

This is the sequel to Julie and the Unicorn. Julie is now twelve years old and has a sister, Tina, who is five years old. Tina is getting ready for her first day of kindergarten. Tina is very nervous. She asks for Julie's advice. Will Tina also have a hard time making friends just like Julie did when she moved to Texas? How will Julie tell if Tina needs help? Will the unicorns and the prince of Unicorn Fairy Sparkle Land be able to help Tina? No human is supposed to see unicorns or visit their land, but since the unicorns helped Julie, now she is allowed. Will Tina have the same opportunity?
