

## Bubble Gum Rescue (Candy Fairies)

When gooey butterscotch endangers the inhabitants of Sugar Valley, its up to the Candy Fairies to come up with a sweet treat of a solution! While putting the finishing touches on her special caramel chocolate candies, Melli finds a small bird, his feathers coated in sticky butterscotch syrup. She learns from Cocoa that theres a deep crack in the butterscotch volcano in the Caramel Hills, and gooey butterscotch is spilling everywhere, trapping small animals and endangering the sweet environment. How will the Candy Fairies protect the animals and their yummy homes from this candy catastrophe? By using pink, chewy bubble gum to plug up the crack and save the day, of course! The entire Candy Kingdom discovers that working together always makes life sweeter...and safer.
