

## Nessies Cape Cod Vacation

This is a story about a real dog - Nessie, a Scottish terrier named for the famous Loch Ness monster, and a real place - Cape Cod, Massachusetts. Nessie comes to the Cape with Lily, a girl of ten or so, to visit Lilys grandparents. Cape Cod is full of temptation for Nessie. How can she not try to catch the fish in Grandpas water garden?

Arent chickens made to be teased? Dont fiddler crabs want to be chased? Nessie finds it hard to be good, but she only wants to have fun. She is an endearing character. Children will readily identify with her and adults will respond to her charm. Travelers will treasure the story as a memento of a trip to the Cape. The airy black and white illustrations evoke the special Cape Cod landscape and feature well-known landmarks: the Sagamore Bridge, Days Cottages and the Provincetown Wharf.
