

## A Lifetime Of Holidays ... Part One

Following on from the success of *Holiday Of A Lifetime ... Never Again!* the story of two sixtysomethings who set out to conquer Peru and Machu Picchu comes this entertaining new look at the annual holiday. Brace yourself for a series of strange (sometimes dangerous) adventures and colourful characters as he takes us from Skegness to Clacton and Cornwall, from caravan and holiday camp to idyllic bougainvillea-ed villa, from Greece and Spain to north Africa, from Hong Kong to Australia. There's the homicidal Ford Anglia, the invasion of the ladybirds, the quacking storks and racing crabs, the world's two most frightening airports, and the Indiana Jones train ride. It's pacy, full of laugh-out-loud moments, and even educational. Dip into geography, history, cookery (ever tried sauteed Angel Delight?), and of course heritage by the tourist coachload.
