

Big Cats! A Kids Book About African Cats - Facts, Figures and High Quality Pictures of Animals in Nature (Big Kids Books)

Big Cats! Amazing felines of the wild! Big Cats! A Kids Book about Big Cats Facts & High Quality Pictures of Animals in Nature by Maya Lee Shye is every bit as exciting and awe inspiring as are the cats described within. Like all her other animal picture books, this non-fiction book is filled with beautiful photographs of cats and each of these photographs is complemented with easy to understand text that briefly, yet accurately, describes interesting facts about these wonderful animals. Ms. Shye also explains the differences between big and domestic cats which are actually their smaller relatives. This is a perfect book for children who are old enough to read on their own as well as for those who still rely on adults to read to them. Either way, its a well crafted learning tool to teach kids of all ages a whole lot about cats. Guaranteed to be highly enjoyable, Big Cats! is now available at the Amazon Kindle Store and can be easily downloaded into a variety of devices that include Kindles, iPads, PCs and many other tables.
