

Russian Dictionary (Collins GEM)

A rebranded edition of the bestselling Collins Russian Gem Dictionary. This dictionary provides the best coverage of today's language and usage for learners of Russian in a handy package. With its extensive coverage of Russian language, the Collins Russian Gem remains the indispensable small dictionary for learners of Russian. Newly updated, its 80,000-plus references and 115,000 translations include the latest additions to the language. The third edition is fully up-to-date and offers extra help with translating essential vocabulary, and thousands of phrases. It also includes lots of special entries on Russian life and culture and a useful business glossary in Russian and English.
