

## Colloquial Norwegian: A complete language course (Colloquial Series (Book Only))

Colloquial Norwegian: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Norwegian as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Norwegian in a broad range of situations. No prior knowledge of the language is required. Colloquial Norwegian is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills. Jargon-free, succinct and clearly structured explanations of grammar. An extensive range of focused and dynamic supportive exercises. Realistic and entertaining dialogues covering a broad variety of narrative situations. Helpful cultural points about life in Norway. An overview of the sounds of Norwegian. Balanced, comprehensive and rewarding, Colloquial Norwegian is an indispensable resource both for independent learners and students taking courses in Norwegian. Audio material to accompany the course is available to download free in MP3 format from [www.routledge.com/cw/colloquials](http://www.routledge.com/cw/colloquials). Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.
