

## The Fiction Writer: How to Make Your Character Cry

Do you struggle to bring heart and soul into your writing? Are your characters only 2 dimensional and uninspiring? Bringing sensitivity, emotion and integrity to your character development is vital if you wish to hook your reader and to connect with them on an intrinsic level. Your reader must feel their intense, emotional pain and be compelled to watch as your characters suffer the highs and lows of conflict and The Fiction Writer - How to Make Your Character Cry shows you just how to tap into your inner experiences and bring a sense of realism to your characters. This book is the first in a series dedicated to the art of writing fiction and The Fiction Writer series draws upon the experiences of professional writing teacher and published author Annette Young who reveals the secret techniques to bringing intense, yet believable emotion to life.
