

## Dizzy, the Stowaway Elf: Santas Izzy Elves #3

The Santas Izzy Elves stories are not your usual picture books: older kids who enjoy playing with words and reading rhythmical verse will love them, too! One reason for this is that although these stories echo the famous 19th century poem, A Visit from St. Nicholas Santas Izzy Elves are definitely 21st century, with electronic devices galore in their North Pole workshop! This Story Monster Approved third story in the series tells what happens when Dizzy (Tizzys best friend), eager to have an adventure of his own, sneaks aboard Santas sleigh on Christmas Eve. He literally drops into the bedroom of two little boys, Drake and Stuart, and the three of them share a wild joy ride that might be even more of an adventure than Dizzy was hoping for!
