<http://www.amazon.com/dp/B01E2CPXEE/> Embark in a long, epic tale of the Legend

of a Minecraft Hero through his personal diary. Little did he know that the simple act of logging into this Minecraft server would set in motion a prophecy that has been passed down through generations...

that a player would one day arrive on this land, not to save it but... to end it. Join the Hero as he climbs the tallest of mountains, searches the darkest of ruins, meets the strangest of friends and scariest of foes as he goes on to learn about this prophecy...

this legend that tells him of a tale that he is unwilling to believe... that the Hero may one day destroy the world. Written in the form of a diary... supplemented by the comments of a witty narrator, read not only the actions the Hero performs but also the internal struggle that he goes through. This is more than a diary, this a collection of folk tales and a collection of morals.

Whether you read it for yourself, or read it for your child, you will soon see that our Hero has strengths and weaknesses, dreams and sorrows. He (or she) wants to be a Hero, but why must a hero be destined to destroy the world? Is the villain that lurks in the shadow... truly a villain? Or... does that villain have the perfect reason to make this world come to an end? Come... and dive into this legend... dive into the Diary of a Minecraft Legend.
