

Consequences (The Company Book 2)

Fliss, Ash, Hank, Sam, Callie and Hank have just broken into The Facility's bunker. Now they must face the consequences of their actions. Fliss isn't your average heroine. There's no beautiful blonde hair. There's no girly dresses or pink bows. She's a tall, pierced, tattooed goth who has a penchant for Heavy Metal Music and New Rock boots. The gang starts this second instalment of The Company series the day after the break-in at The Bunker. The consequences of their actions will be far-reaching. Will they all survive?
