

The Legend of Brandice May

The Legend of Brandice May (43,500 words) A longer tale for kids around 10 -12 plus, telling of a young cat burglar with a heart! Fit, adventurous, 10 year old Lawrence has spent the last year faithfully searching for his lost kitten, Lucy. When his admirable efforts pay off, he finds himself caught up in a mysterious plot involving ancient magic. For spoiling her crazy plans, the evil Brandice May remains determined to wreak terrible revenge on them both. Before the story ends our two heroes fight a dangerous witches coven, rescue a sickly peasant girl, save the weird land of dream and visit strange, far off worlds. The kind, thoughtful pair make powerful friends on the way too, but how will Lawrence and the rather special Lucy stop the unnaturally old evil forever?
