

## Easy Talker: A Fluency Workbook for School-Age Children

NOW INCLUDES A CD WITH PDFS OF ALL REPRODUCIBLE ITEMS! Address fluency disorders in students grades 3 through 12 with this story-like workbook for understanding and coping with stuttering. Focus on a holistic approach to the treatment of stuttering, including:

- Use of task analysis to identify needed skills
- Extensive use of examples, metaphors, and exercises for hands-on learning
- Specific activities that help kids deal with fear and frustration

Featuring a clinicians manual and a range of practical exercises on CD, this engaging program follows the adventures of a group of students at Fluency Camp. Your school-age students will enthusiastically join the campers in learning different techniques, improving their self-esteem, and even becoming their own clinicians!
