

New International Business English Updated Edition Students Book and Audio Cassette Set (3 Cassettes) (Cambridge Professional English)

This bestselling course is the ideal next step for students who have completed Working in English. Fifteen topic-based units cover a wide range of business situations and the course provides frequent opportunity for discussion and thorough vocabulary development. The Teachers Book offers a complete introduction to the aims, design and principles of the course, including step-by-step procedures for each section, suggested timings and photocopiable resource material. The Workbook contains a valuable grammar review. The Students Book now comes with a free BEC Vantage Preparation CD-ROM that contains an introduction to the BEC Vantage exam and a full practice test including audio.
