

Writing a Gripping Plot Line, Answering Your Questions about Plot: The True Writer, Book 1

Have you wondered what is the difference between a page-turner novel that will give you paper cuts and one you would abandon (maybe even throw away) before you reach page six? There is no mathematical formula or recipe for a gripping plot, but there is an outline and a few simple tips to keep in mind. The key is to write a plot that will remain fixed in the memory of a reader long after the last page of the novel. This is all research into one book so that you can receive the facts. We are no experts in anyway; we have spent a long time on this so you dont have to.
