

## Quick & Dirty Genre Reference for Writers

You've written the book or are planning to write one. Defining the genre can be a task in and of itself. Here's a quick reference of genres and subgenres that I put together for my own reference and have found it's been helpful for others, too. Hopefully it will help you determine some of the standard genres as well as some of those that are newly emerging. It's a starting point, not a definitive reference.
