The front half of the book consists of thousands of listings for tournament-related memorabilia such as badges, programs, and tournament tickets, beginning with The Masters. This section is followed by alphabetical listings for over 10,000 golf books with current market values. Each listing includes the author name, title, year of release, special notes about the book and current market value. Whether you are a buyer or a seller; whether youre starting a golf collection or just want to authenticate an autograph, this book is for you. Gilchrist and Emersons Golf Collectibles is the collectors handbook for anyone interested in collecting golf memorabilia of all kinds.
