

Astrology for Lovers

A comprehensive astrological guide to life, relationships and lovers, *Astrology for Lovers* is a seminal guide to learning how to interpret the subtle and not-so subtle attributes of both your own and your partners astrological sign in order to create a better understanding of one another. Each person has a unique footprint in the map of the cosmos, and *Astrology for Lovers* guides the reader through each of the Sun signs in an enlightening and comprehensive manner. Each sign is given a lengthy description of its characteristics, as well its creation myth.
