

## How Smart is God?

Have you ever really thought about how smart God is? God made the world. God made the big blue sky and the bright yellow sun. God makes puppies, kittens, flowers, and trees. God made you and God made me. God gives us eyes to see, ears to hear, a heart, a brain, and hands and feet. Just think of all we can see and do because of how smart God is and how He makes us.
