

Bullet Points

Lets face it. We dont all run \$20 billion corporations. And yet most business books are presented from that perspective. BULLET POINTS is the business book for the rest of us. Written in analogy to time-tested military tactics and strategies, BULLET POINTS is an everyday reference manual, providing you with an organized approach to the most common internal issues and external competitive threats. Keep BULLET POINTS in your briefcase, purse or desk and refer to the sections as needed. Youll get real-life perspective you can use in building your particular business, whether its doing \$200,000 in sales or \$200 million!
