

100 Cats I Have Known

I've known 100 Cats in my lifetime. And so many more! No matter where I have lived, or what I've done, I have always had these furry little friends around me. I LOVE cats! I love them so much I even invented ... my own Breed! This book is a whimsical look at cats; all kinds, colors, and sizes! Cats and their kittens will always be an integral part of the human experience. And everyone will recognize one of their little kitties in the images in this book of 100 cats. There are actually more than 100 cats to see..How many more could there actually be? Why thousands of course, millions and more! That's what this book is really for! So you can smile and laugh at all their silly little faces..in all their funny little places. With all they do, to entertain you.. They deserve this book..So, take a look! :)
