

## The Ghost in the Closet

Danielle is a foster child. She grew up in the system and now at fifteen she has nobody and no place to go so she has come to live in the Wayne home. Grace and Eli Wayne are weird, to say the least. But they open their home to her. Danielle has her own room, her own computer, her own TV and her own ghost that lives in the closet! At first its easy to ignore the silly rumors that get thrown at her. Grace is a witch, Eli is a convict, there is a treasure buried in the yard and a little girl ghost haunts the house.

All can be ignored until things begin to happen. Shes told to leave the closet light on and the door slightly open. Lacy, the ghost, doesnt like the dark. Danielle thinks its a joke until things begin to happen that cannot be explained. In time she finds that the truth is not always what you expect. Sometimes there are clues right in front of your face that can solve a mystery and change your life.
