

## THE WARRIORS OF BLACK AND WHITE: Episode 4 : Its Milacle (Fantasy Adventure Book)

They sneaked up to another soldier and rendered him unconscious. Darren removed the soldiers armor and wore it to use as his disguise. They carefully hid the soldiers unconscious body in one of the houses. Slowly, they walked inside the castle. The castle was empty, yet somewhere in those hallways are Croallia soldiers, eager to kill anyone who tries to stop them. They knew that they should be careful on their every move as one wrong move may cost them their lives. Upon gaining a reasonable distance from the entrance, Darren faced his companion. Where should we go? Im not sure about that, Pierre said softly. You came here without a plan? Darren stated as he sighed. What kind of soldier are you? Im not a soldier! Im thinking about it, alright? he replied with a slightly higher tone of voice. He began refreshing his memories. The wizard stated that Seraphina is in deep slumber in the darkest part of the castle. Darkness. It would have to be a place light cant reach. It could be a place underneath the ground or a place hidden from the other people. It would have to be a place where no one will see her, given that shes a citizen of Croallia. If shes still alive, she could be locked away. The darkest part of the castle is where the light never reaches, a place where shell be hidden from the world, a place where no one else will see her, unless visited, he thought. With that, he found his answer. The dungeon Both of them knew that it would involve a lot of risk. Still, they were determined to rescue Seraphina. Is she even alive? The biggest question kept popping into their minds. The answer lies deep in the darkness.
