

Leading Ladies #2 (Forever Four)

In the second installment of Elizabeth Cody Kimmels funny new middle grade series, the magazine is up and running and while the girls may have won the competition to get school funding, now they face new and unexpected challenges. Tally is out for the lead in the school play. Miko has left the magazine to focus on her schoolwork and spend time with her real friends. Ivy is hiding a secret that is distancing her from her new friends. And Paulina is left to juggle the magazine on her own. Will she crack under the pressure?
