

## Dangerous Plays (Nancy Drew: All New Girl Detective #16)

Dad, Bess, and I are all set for London when Neds Shakespeare professor asks us to do a simple favor: to take a look at his townhouse while were there, since he cant seem to locate the housekeeper and fears somethings wrong. Sounds easy enough, so I take the key. Eager to cross the favor off our list, we stop by 53 Banbury Square shortly after we land. And lets just say things in the townhouse arent quite tip-top. And the key? Well, it unlocks a Pandoras box of serious trouble.
