

Little Blue

My home has steps to the mountains and a wooden bridge, said Little Blue. I miss my mountains. My home has a path to the hills and tall rocks, said Will. Almost like your home. They climbed the hills and gazed from the rocks. But they couldn't find Little Blue's way home. When Will discovers a little blue girl lost in the woods, he tries to help her. When they fail to find her way home, he invites her home with him . . . only to find that their homes are one and the same place.
