

## The Road Home (Marguerite Henrys Ponies of Chincoteague Book 8)

Nina tries to help a friend in the eighth and final book in a contemporary middle grade series in the tradition of Marguerite Henrys Misty of Chincoteague. Ninas friend Leah has been acting oddly lately. The two of them attend the same small private school, and Leah also takes lessons at the barn where Nina keeps Breezy. But suddenly Leah seems to have lost interest in riding, and her behavior is oddly erratic. When Nina tries to find out whats wrong, Leah pulls away. At the same time, Nina becomes worried about Breezy, and discovers someone is sneaking in at night to ride him without permission! When Nina finds out its Leah whose family is having financial difficulties, she knows she has to do anything and everything to help her friend. After all, isnt that what friends are for?
