

## The Pink ABC

Three times more illustrations than regular ABC books! Engaging, colorful alphabets and numbers book for kids 2 years old and up. Example of words that includes parts of speech other than nouns, such as verbs, and adjectives. Helps develop reading basics and other essential skills to prepare young children for preschool. 132 pages. Maya is a beautiful, creative 7-year-old girl who helped with the word selection and reviewed all images to make sure all little girls and boys would enjoy the book.
