

## Seven Day Prayers for Prosperity (The Orisha Meditation Series Book 1)

When we think of prosperity, we often think of money. Money, however, is not the only way that we can be prosperous. Spiritually, prosperity comes when you are moving in alignment with your destiny. You are prosperous when you succeed, and whenever you are doing what you were meant to do, you are successful. It can be challenging to think of prosperity as being disconnected from financial wealth. Wealth, however, is all around us. All it takes is a mental model shift to be able to see our blessings of prosperity. This devotional contains prayers that will help you tap into your prosperous spirit.
