

## The Curious Adventures of Cody & Emma

Cody is a big brown dog with floppy ears, long legs and soft, short fur. When he meets Emma, a young girl from Aberdeen, they discover they share a passion for exploring. So armed with the advice of Emmas Mother and a series of endless questions, they set off on some very unusual adventures. From going to the beach, to going sledging; from chasing rainbows to being chased by a bull, Emma and Cody meet a host of interesting characters and make lots of new friends when they go exploring together.
