

New Term at Malory Towers (Malory Towers (Pamela Cox))

Darrell has left, and Felicity is head of the third form. And what a lot she has to deal with - June and new girl Freddie playing tricks continually, the sickly Bonnie shadowing her, and the stuck-up Amy, who has a strange family secret . . . Enid Blyton is arguably the most famous childrens author of all time, thanks to series such as The Wishing-Chair, The Faraway Tree, The Mysteries, The Famous Five and The Secret Seven. Her school series including St Clares and Malory Towers are the perfect books for girls who are experiencing their own adventures at school.
