

Partnering for Development: Donor Report 2013 (Donor Reports)

This publication is targeted at current and prospective official financiers of the Asian Development Banks grant and loan operations. It explains the wide range of financing options available to partners seeking to expand their commitment to developing the Asia and Pacific region. It also provides case studies showing how donor contributions make service delivery more effective and how they improve the lives of poor people. Finally, this publication outlines where donor funds can best support ADBs core areas of operation under Strategy 2020.
