

## Compliance for Medical Practices: A Seven-Step Plan

Today its all too easy to make billing errors or other mistakes that result in whistleblowing, exclusion, and criminal and civil actions. While a solid, written compliance program offers strong protection, few practices can afford to bring in compliance consultants. Now, Compliance for Medical Practices: A Seven-Step Plan puts this protection within reach of every practice. Here is a systematic way for you or your staff to design a program, train staff, keep records, and ensure success. Plus, worksheets let you calculate costs and rewards before you invest in time or money in a plan. Its a compliance program thats easy to develop, manage, and update. This book includes a CD-ROM with ready-to-print materials, including: time-saving forms, sample plans and policies, and checklists and agendas.
