

## Reckless Rudy and the Green Vase

He kicks toys about. He knocks lamps over. He forgets to do his homework. But it doesn't stop there. He also steals food from his little sister. He makes his little brother do his chores. He doesn't care one way or the other what anyone thinks. He'll step on your toes if you get in his way. He's just reckless, and he gets away with all of it. When Rudy's mom brings home a beautiful, old green vase to keep for their aunt, Rudy just can't keep his hands off the priceless antique. He will soon step into a weird and wacky, afternoon adventure of chases and flight. Ages 5 and up.
