

Shadows (Lux)

The last thing Dawson Black expected was Bethany Williams. As a Luxen, an alien life form on Earth, human girls are . . . well, fun. But since the Luxen have to keep their true identities a secret, falling for one would be insane. Dangerous. Tempting. Undeniable. Bethany cant deny the immediate connection between her and Dawson. And even though boys arent a complication she wants, she cant stay away from him. Still, whenever they lock eyes, shes drawn in. Captivated. Lured. Loved. Dawson is keeping a secret that will change her existence . . . and put her life in jeopardy. But even he cant stop risking everything for one human girl. Or from a fate that is as unavoidable as love itself.
