

## Sizzling Spells: How to Make Any Man Want to Talk to You

Sizzling Spells, How to Make Any Man Want to Talk to You, 2nd edition, by Chas Ridley, more than lives up to the romantic fun, frivolity and deep lessons in becoming receptive to others that were hallmarks of the 1st edition. These spells and stories may lead you into adventures, brighten your outlook on life, love and romance, free you to experience more of life's magic. They are tools for more open communication with everyone in your life, and even with yourself. They are far more than the title conveys. Here are words not only to make any man want to talk to you, or even to make any woman want to talk to you. These words when you use them can help you better appreciate your husband or your wife, see the value in your sweetheart and in yourself. Sizzling Spells when you use them can show you how to focus your energies to become your most receptive self, to improve your communication with people of all ages. This is a book for people who want to know themselves better, to be more open to the other people in their lives, to draw toward them those they would like to spend their time with. Whether you're a woman who wants a man to talk to her, a man who wants a woman to talk to him, a parent wanting your children to talk to you, or someone looking for better friendships or a stronger marriage, these spells can help you along your path. Readers have said the spells helped make their dreams come true for deep love, better jobs, better relationships within their families. Enjoy the spells. Live every second of your life with sizzle and spice. Become the shining light of life you truly are, who draws men, women, children and even perhaps more of your dreams into your orbit without apparent effort.
