

Stella the Star Fairy (Rainbow Magic)

One of two very special Rainbow Magic Christmas audio editions - Stella the Star Fairy is beautifully read by actress, Sophia Myles, and the accompanying music is sure to delight Rainbow Magic fans everywhere. Stella the Star Fairy, is all in a flutter, trying to put the sparkle into Christmas. Stella looks after all the special Christmas lights - from the overhead illuminations, to the Christmas tree fairy lights, right through to the twinkling stars. Three magic Christmas baubles control all of these elements but now Jack Frosts goblins have stolen them. There's not going to be any Christmas atmosphere and Santa won't even be able to guide his sleigh through the night sky. Stella the Star Fairy needs Rachel and Kirstys help to get the baubles back.
