

A boys toy tiger turns into a real tiger in the middle of the night. The boy and the tiger leap out of the window and into a beautifully-illustrated adventure. The tiger whisks the boy away to the beautiful jungle of his homeland. But danger awaits them - will they make it back, or will the tiger lose one of his nine lives trying to escape? Oxford Reading Tree Story Sparks is an emotionally-engaging fiction series that will fire childrens imaginations. These 36 original stories will get children thinking, and develop and deepen their comprehension skills. The variety of authors and illustration styles broadens childrens reading experience, with something to appeal to every child. All the books in the series are carefully levelled, so its easy to match every child to the right book for them. They also contain inside cover notes, to enable parents and teachers to support children in their reading. Help with childrens reading development is also available at www.oxfordowl.co.uk.
