

Prisoners of Peace (Star Trek Deep Space Nine)

Life suddenly gets interesting on Deep Space Nine TM when a new student turns up in Jake and Nogs class, Riv Jakar, a Bajoran boy whose parents were killed by Cardassians. Riv thinks school and hanging out on the Promenade are a waste of time. Instead he is determined to join the Bajoran freedom fighters in their battle against the Cardassians. When Jake, Nog, and their friends Ashley and TARA are investigating some mysterious incidents on the station they discover a stowaway, a Cardassian girl named Kam. She is the daughter of a high-placed Cardassian official who has just shown up at Deep Space Nine with eight warships, demanding the return of his daughter. But Riv has other plans for Kam, and its up to Jake and Nog to save her before Riv starts a new war.
