

Surviving Middle School: An Interactive Story for Girls

BFF betrayals, bullies, boys - YOU choose how it all goes down! Middle school isn't easy. At every turn, you face another tough decision. Surviving Middle School lets you make your own choices and enjoy (or suffer) the consequences. What will you do when . . . you and your friend have a crush on the same boy? your hairy legs make you feel like a gorilla, but your parents won't let you shave? the most popular girl in the grade invites you to join her group of friends, at a price? Choose your path wisely. . . . How your story unfolds depends upon the decisions you make.
