

## Tails of the Bronx

Somewhere in the city of New York, in the borough of the Bronx, there's a street called Burnbridge Avenue. Everyone knows everyone else's business on Burnbridge, and they all watch out for each other. So when the neighborhood cats begin to disappear, everyone notices. The Burnbridge kids decide it's up to them to discover why all the cats are missing. Loretta, who wants to be a forest ranger, and Julio, who's a walking dictionary, help lead the investigation. Pooling their resources, the kids pursue every clue, eventually discovering some very surprising things about their own neighborhood.
