

## TALES OF OUR LIVES - Reflection Pond: Award-Winning Stories from WomensMemoirs.com

TALES OF OUR LIVES, an anthology of 81 inspiring true stories, informs womans desire to record, examine, understand, and report life journeys. In an era of reality shows that arent close to reality, the authentic voices of these authors stand out, clearly conveying their heartfelt stories. As you read, youll find yourself laughing, crying, even cheering the women on. And, if you want to compile your own stories, youll find a bonus writing tool included--Introduction to Writing Alchemy--the document that helped these women go deeper into their own stories. TALES OF OUR LIVES brings you life stories in two anthology volumes -- Fork in the Road and Reflection Pond. Put on your comfortable walking shoes for in Volume 1: Fork in the Road, youll travel down lifes path with the authors as they reveal the people and events that made all the difference in their lives, the stories that made them who they are. In Volume 2: Reflection Pond, pull up a chair and sit with the authors as they reflect on their lives across the years--the stories, big and small, that they recall. The authors stories may serve as a springboard to writing your own life legacy. As a reader of these two anthologies, you also receive the same material on how to use Writing Alchemy. It is a gift to you so that you can shine a light on the moments that helped shape you using this dynamic methodology. AND STILL MORE. In addition to giving you a full description of Writing Alchemy, you also can use these two anthology volumes to enhance your writing skills in two more ways. First, each section includes a series of writing prompts based on the types of stories shared in that part. Volume 1 gives you 42 prompts and Volume 2 includes 56 prompts. Second, you can study these stories to learn about effective openings, titles that foreshadow the story, character descriptions, emotions that pull the reader in, dialogue that moves the story forward,

sensory details that bring story scenes to life, and time/place elements that serve as backdrop or become as important as the main characters. THE ANTHOLOGY AUTHORS provide you life narratives that will delight, entertain, and enthrall you. The telling of these extraordinary stories of ordinary women may trigger memories of your own for these authors speak to our collective experiences as much as they do their own. ABOUT THE EDITOR.
